At time if i read your comment on Boko Haram and all that i do laugh, because some of you talk out of ignorance and illiteracy, believe it or not some of this this happening in the Northern Nigeria is not just ordinary is a plot to tarnish Islam and the Northern Muslim and if care is not taken..., Also i could remember when the 1st October 2010 Bombing in Abuja happened, President GEJ said he know those behind it are Northern leaders and later on it was discovered that Niger-Deltans that planted the Bomb, secondly same GEJ said he knows all the BOKo Haram sponsors that they infiltrate his Government both in the Military hierarchy. Pls advice for the GEJ and CAN president they should learn to be sincere and wash their hands from their evil plans because one day it would catch-up with them. Time shall tell. I rest my case.

Ben you are very correct. These people are subtle and deceptive in their approach of invading a city in order to ruin it. The people of Niger Delta, the entire south and the FG should wake up to this danger snow balling. Most of BH fighters are displaced guerilla fighters from Libya & the Sahara; they are animals and should never be pampered as humans. All they need is extermination - Better still, GEJ should hire the Israelites to deal with these blood suckers (the Israeli way) and all that support Islamic extremism - they do not deserve too live and share this God's beautiful world with us - Banza bakwai(s)!

Let us not be deceived by Shekau's statement about targeting IBB,Buhari and the rest. Okay, now we got the real fact behind this.... Just recently the news spread that the United States will be in Nigeria to support the fight against terrorism in Nothern Nigeria. Now the IBB, Buhari, etc, got afraid that they could be labelled as terrorists by the United States which we all know they will be killed like Osama and other terrorists. Then guess what happened... they had a secret meeting with their boys (BOKO HARAM) and the outcome was for their boys (BOKO HARAM) to mention their names (IBB, Buhari, etc) that they are also on target.....just to keep off the eyes of the United States Marine away from them....hehehehe how fearful and cowardly they can be...I thought they neva get scared of anything. hahahahahahahaha

Let no fool think that Islamic terrorism is invincible. Israel defeated Islam in the holy land. Any person who does not give Israel credit for their valor is a fool. Moslems want your wealth/belongings and nothing else. When they lie that they are converting you, don't believe them, the devil is a lair. In their jihad they may spare some strong young men to use them as fighters, but they kill and loot the belongings of the elderly people.

Make no mistake about it. Their eyes are on our oil and belongings. The Yorubas may be tempted to join them, but this time they will pay dearly for their greed.

So long a I'm concerned the real Christians n Muslims are quiet and cannot be deceived by the antics of these 'ritualist' who are bent on shading the blood of innocent Nigerians to soothe their greedy and selfish desire for power. BEFORE we see SHEKAU as the only evil man lets ask the so called 'Clerics', 'Security Chiefs', 'eminent personalities' about the increasing disregard for the sanctity of human lives.'bloodletting agencies' that are daily identified with extra-judicial killings all in the guise of 'anti-robbery squads', 'vigilantes', 'anti-terrorism' name them....should be investigated. Anonymous I think you are the gigantic idiot. Common sense eludes you. If you have reasoning, you would see the difference in the Boko Haram killings. Christians are killed because of their religion are for no other reason. BOKO Haram killed Sheik Albani not because of his religion but because he opposed them.

It is unfortunate that the citizens of this country lack wisdom. Is this not when all well meaning Muslim and Christians should come together to fight this monster called Boko Haram? The only reason why Boko Haram is winning is because of the disunity among Christians and Muslims and they will continue to win. These cowards are killing both Muslim (highly placed Muslims) and Christians whom they see as easy targets. With our military now full of excuses not to take the fight to BH, we need unity.

Those fools who are clinging on to and shoving Nigeria to our faces should wake up from their slumber and stop deceiving themselves about Nigeria, for Nigeria is finished as a country. Anyone who still think that Boko Haram is not a radical Islamists group and a separatist organization who want to Islamize Nigeria and if they cannot get the entire country would want to establish Islamic Republic in northern Nigeria. It is time we peacefully dissolve Nigeria.

The threat of Boko Haram leader, Shekau, to bomb oil facilities in Rivers and Bayelsa States should not be taken lightly by the Federal Government and good people of the 2 states. With today technology, what does it take to track and get the sources and places where the Boko assemble, send their video. etc. even if they live inside the ground?

To defeat the boko is simple common sense within today North Islamic religion before any other thing and Nigeria.

Remove all the northern Muslimss from the security intelligence teams on boko. If you cannot remove a Northerner as your NSA then do not allow him and the Defence Minister, etc access to the boko intelligence teams.

The inability to finish off the boko by now and their unnecessarily killing our forces is as a result of insiders leakage of information about our intelligence and plan to the terrorists by those privy to the information.

I don't know the Publisher of Saharareporters - Omoyele Sowore - but he must have a compelling personality to attract writers twice his age on his website and keep them writing for several years. Only a naturally honest young man can win such respect from usually critical professional writers. I doff my hat to him.

Your reporting of GENOCIDE by Muslims against Nigerian Christians forced Boko Haram into making this announcement of its intention to now kill Muslims, including General Babangida and Emir of Kano. I will only believe this fake announcement if Boko Haram carries out this empty threat made only to cover up genocide and begin to look 'objective' as a murderous Islamic militia bent on killing Nigerian Christians.

"No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome."

"A degraded sensualism deprives this Muslim the life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Individual Moslems may show splendid qualities, but the influence of the religion paralyses the social development of those who follow it."

"How dreadful are the curses which Mohammedanism lays on its votaries!

Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy.

The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live"

"No, Shekau is not a Muslim." You have a lot of defending to do. Shekau says he is a true Muslim, you say he is not. How can you claim what you do not know. How would you proof he is not a Muslim when the man appears to be more convinced than you are about the religion and he is going all out for it.

Is this not the symbol of this religion? Take a close look at the entire middle east.
