I hated dis Islam more everyday when they talk about peace. Islam is d worst tin dat can happen to humanity. they call us infidels n islam n moslems has neva contributed to d world peace n development. Has u hear if a moslem has invented anytin in d world. The world made a great mistake for not wiping out dis wicked people during d WW2. no moslem is a friend to non believer. they always pretend to b your friend. even a blind man hates islam. shites n suniis bombin themselves n shoutin allah akbar in iraq even in der mosques. afghanistan is d same. paskistan worst. all over moslem countries is violent. IMAGINE A WORLD WITHOUT ISLAM. Arabs would have bn great if they r not moslems. i rem son of Hamas who converted to xtian. they declared him dead. Dats why i like israel who cant gv a poo to them. 1. israel killed is equals to 20 arabs. even turkey millitary arm is supplied by israel. I jst wish to my self if there is no Islam.

Normally i would just ignore this statement, Because it just shows ignorance of the contributions of muslims to algebra, technology, medicine, architecture, philosophy at the peak of the islamic civilisation. This was a period where the church actually stifled development in the west, it wasn't until the separation of church and state that the west actually started developing. Do a little research. http://en.wikipedia.org/wiki/Muslim_world

I am a muslim, and i do have a bunch of non-muslim friends, If you even look at the life of the prophet you would find out that even christians that visited him were allowed to carry out their services in the mosque. What do you have against people saying 'God is Great' in the mosque. You show your hate on iraq, but forget that they were invaded on a lie. I do not support hamas but neither do i support the israel, The palestians have suffered untold injustice, driven out of their homes, massacred. and 20% of palestinians are christians, so it is not even a religious battle,

I would have you know that arabs make up only 10% of muslim population, and there are numerous multi-religious communities that exist in peace in the muslim world. However, i accept there is a vocal minority with extremist ideologies, I do think it is wrong to use the same brush to paint 1.5 billion people.

Islam didn't cause the church inquisitions, or the world wars or the belfast bombings,

Nobody likes to see the innocent die, but if you want to find out about islam, read the Quran, Instead of basing your convictions on the actions of a few.

I know some people would hate unconditionally, no matter what i say

Allah subhanahu wa ta'ala says what means in the Quran,
 "Hold to forgiveness; command what is right; but turn away from the ignorant".

He subhanahu wa ta'ala also says what means,
 "And when they hear vain talk, they turn away therefrom and say: 'To us our deeds, and to you yours; peace be to you: we seek not the ignorant.'

Prophet Muhammad (Peace be upon him) said
 "The strong is not the one who overcomes the people by his strength, but the strong is the one who controls himself while in anger."

Thank you
 Peace.

@ tbaba1234

The issue with islam is fundermental. No matter how one separates extremists form moderates as you ppl have, a muslim remains a time bomb that could detonate at anytime. All becos of the ideologies enshrined in the quran. What do the extremists read? Is another version of the quran, like King James Vervion of the quran? Isnt it the same text? Its all a matter of interpretation which can be subject to moods. One ass who is frustrated in life could just change his former interpretation of a text of peace to mean war and declares jihad.

Guy stop taking us back to the inquisition. Human history has been progressive and humans have learnt from the past as much as possible; why r u still holding on to incidences before civilisation. After learning so much from wars, human behaviour , of the past, the world should b experiencing a time of relief and prosperity now, but u guys wont let it be.

The sufferings of the palestines are their own doing. It is at war with israel and declares itself an enemy of israel who has the upper hand. Common sense should have taught them to seek peace, even if it were in disguise to buy enough time to be as stronger as israel or even hizbollah but no, they would prefer to suffer to attract the sympathy of the world. Would u allow an enemy neighhour who has declared its desire to exterminate u to thrive?

And pls dont gimme that bull-poo you guys always come up with about israel been on their land. No matter how u try u cant kill history, thats self deceit. Jerusalem is the home of the hebrews who were removed by muslim powers in the package of captivity. Pls.

Bros I feel your pain. They have made some contributions to science & trade but I get where you are coming from.

martin123:

I think it is better to blow up the northern part of this country, for peace. most of them (muslim/islam) behave like cows. they dont deserve to live like humans.they think like animals in everything.see politics, religion, way of life e.t.c. and come to think of it, there is nothing special about these people, killing of then will not add or subtract from the economic value of this nation. they are the ones taking us back.Imagine, just because you want to control oil money wey no come from your village, oil wey you no get, politics and religion turned into something else.cant you see that these people dont deserve to live.

Bros i feel you too. Though i dont support an violence, you cant help but ask what do they really contribute to the economy of this our country Nigeria?

Sonofpeace:

Plz can you tell us what your mohamed instructs you people to do to an infidel or unbeliever?

Very good question. Of course they cannot give a 'peaceful' answer.

Like i said earlier i think enough is enough. I think we should start from our own Nigeria. Maybe we should give them their own nation if it will stop all these unnecessary bloodshed.

In the Name of Allah Most Beneficent Most Merciful

Present

A STATEMENT REGARDING JOS AND BORNO ATTACKS

In the name of Allah the mighty Who has power over everything, Who made fighting the disbelievers an obligation until justice is established on earth.

May peace and blessings continue to be upon the last messenger who wage jihad, the best of it.

O Nations of the World, be informed that verily the attacks in Suldaniyya (Jos) and Borno on the eve of Christmas was carried out by us, JAMA'ATU AHLUS-SUNNAH LIDDA'AWATI WAL JIHAD, under the leadership of Abu Muhammad, Abubakar bin Muhammad Shekau (May Allah preserve him), to start avenging the atrocities committed against Muslims in those areas, and the country in general. Therefore we will continue with our attacks on disbelievers and their allies and all those who help them, until Allah's deen triumph by His Grace and Will.

O Muslims! Do not forget that Allah has enjoined us to make provisions for fighting the disbelievers, and for that we are reminding you that the disbelievers of the world are fighting Islam and Muslims. So you must stand and strive to protect your religion and life.

With Peace

I cannot bear to read people write how Islam is a "Religion of Peace", and other similar rubbish after every terrorist attack. It is better to just shut up and not insult the victims. Islam is the most wicked religion ever invented, with clear support for terrorism against non believers and its support of paedophiles. I can't fathom how such a religion, which ought to have been confined to the desert still has followers whose lives are dictated by some herb smoking fellow who lived in the cave a thousand centuries ago.

see what iv been saying? How can these ppl be wiping up sympathy for something that never happened. What atrocities were committed against muslims in Naija?

Pls u ppl should stop talking nonsense o. The so called moderates will come arguing rubbish to calm ppl down so the so called extremists can massacre. Instead of preaching a countering sermon to stop their brothers on rampage. God will judge them all. If not for what we know as christians, i would say it was time to teach these guys a lesson.

Yea right, those happened many years ago and the Nazi's paid for their crime. Tell me, which other religion practices religious terrorism? Only Islam. And for those of you arguing that it was not carried out by muslims, they have already set up a website claiming responsibility. Islam is an outdated religion invented by men who were probably hallucinating from being beaten silly by the desert sun. What a religion that cannot entertain contrary opinion, prevents its followers from converting, declares war over nothing, legally accepts paedophilia, oppresses women, the list is endless. You guys deserve your own country, somewhere in the desert North where you can blow each other up faster. I wonder who will provide you virgins since they are all getting married at 6 yrs. Guess day olds will count. Aturu.

LOL! This look too childish. U have a very small brain. Nigerians are smarter than u. Stop wasting ur time composing these kind of stuffs.

U are one of our problems in this country. Imagine a christain posting this presentation, trying to indict muslims in order to cause instability in the country.

Aint u afraid that some one on this tread might trace u and hand u over to the law enforcement agents?
 U think crisis in Jos is a joke? Or u are happy that ur christain brothers were killed on christmas eve?
 I am a muslim but I think u are a disgrace to christianity and humanity.

Life is a circle and logically, what goes around mostly comes around. Only wish your Mums, daughters and friends were in that blast! I bet your comments would have had a different twist.
