The three major groups in Nigeria #BokoHaram (Shekau's JAS), #ISWAP and #Ansaru had their most active week of media releases this week. In addition to the highlight of their contents, I will also share my thoughts on where I think this decade-old insurgency is heading. #Thread

1. Let me start with highlights from **#BokoHaram** Shekau's JAS. JAS acknowledged the Death of Man Chari Abū Sadīq al-Bāmāwī. He was the commander that issued the first protest against the deposition of Shekau by ISIS. He led the group as a commander & Imam. See Text 73 of BH Reader

2. Despite JAS schism with [#ISWAP](#), the group still sees itself as part of ISIS which explains why the speeches of ISIS leaders (Adnani & Zarqawi) were frequently invoked in all their releases. [#Ansaru](#) is the only group in Nigeria as of now that make references to Al-Qaeda.

فَاللَّهُ اللَّهُ فِي دِينِكُمْ وَاللَّهُ اللَّهُ فِي إِخْرَاجِكُمْ وَفِي أَمْنِكُمْ
وَاللَّهُ اللَّهُ فِي عِقِيدَتِكُمْ وَأَعْرَاضِكُمْ لَا يُأْتِيَنَّ الْإِسْلَامُ مِنْ قَبْلِكُمْ
فَالْمُعرِكَةُ أَمَّا مِنْكُمْ فَأَصْلَةٌ وَأَحْزَابُ الْكُفَّارِ مِنْ جَدِيدٍ قَادِمَةٌ
وَالْعُدُوُّ مُسْتَعْرٌ فَلَا يَبْدُدُ مِنْ شَحْدِ الْهَمَّ وَاسْتِهَاضِ الْعَزَافِ نَحْوَ الْقَمَّ
وَاحْذَرُوا أَنْ يَكُونُوا عَلَى دِنَارِهِمْ أَحْرَصُهُمْ مِنْكُمْ عَلَى دِينِكُمْ
فَإِنَّكُمْ بَيْنَ خَيْرٍ يَنْ شَهِيدٍ مَرْزُوقٍ أَوْ فَتْحٍ قَرِيبٍ
وَاهْتَفُوا مِنْ أَعْمَاقِ قُلُوبِكُمْ وَلَنْ أَصْلِحَّكُمْ مَادَامَ لِي فِرْسٌ
وَاشْتَدَّ قَبْضَا عَلَى الصَّمْصَامِ إِبْهَامِي

صوت الشّيخ أبو محب الزّير الذي تقدّم به

فَالْهَمَّةُ الْهَمَّةُ إِنَّمَا تَقْارِعُونَ الْأَمْمَّ عَنِ الْأَمْمَّ
إِنْ تَصْمِدُوا فَزُتُمْ وَإِنْ تَنْكِلُوا خَبِّتُمْ وَذَسِّرُتُمْ
وَإِنْ أَمَّا مِنْكُمْ مُشَاهِدٌ لِيَقُومُ لِهَا مَفَاسِسٌ
أَوْ جَبَانٌ وَارِدَّةٌ لِيَسْ لَهَا مَصَادِرٌ إِلَّا النَّذَالُ وَالطَّعَانُ
وَإِنْتُمْ لَهَا بِإِذْنِ اللَّهِ وَهَا قَدْ أَتَكُمْ رَمَضَانُ شَهْرٌ
الْغَرْبُوُّ وَالْجَهَادُ شَهْرُ الْفَتْوَاهَاتُ فَتَهَيَّأُوا وَتَاهِبُوا
وَلِيَحْرُصُ كُلُّ مِنْكُمْ عَلَى أَنْ يَمْضِيَهُ فِي سَبِيلِ اللَّهِ
غَازِيًّا طَالِبًا مَا عَنِ اللَّهِ رَاجِيًّا لِتَجْعَلُوهُ بِإِذْنِ اللَّهِ شَهْرٌ
وَبِالْأَعْلَى عَلَى الْكُفَّارِ فِي كُلِّ مَكَانٍ

4. With the exception of [#Ansaru](#), over 90% of the arsenals [#ISWAP](#) and [#BokoHaram](#) are using in this conflict are coming directly from what they confiscate from the Nigerian Army. JAS refilling the Tank they confiscated from the Nigerian Army with Petrol.

5. There have been several reports that [#BokoHaram](#) destroys communication masts in the [#LakeChad](#). This is one of the first video evidence that lends credence to that claim.

7. Some dead JAS members. What is really shocking to me is the relatively young age of these boys. I can't believe that these young boys are the people fighting against the Nigerian Army with all the resources spent since 2009. These are child soldiers.

8. More evidence of child soldiers. These young boys are either conscripted into JAS or children of the 1st-Generation of JAS fighters. They are the category of fighters that dominate the field today. It is strange.
