THE REJECTION OF ANSARU REGARDING ATTACKS ON INNOCENT MUSLIMS

Praise be to Allah **SWT** the helper of the righteous and the weak, the destroyer of the unbelievers, who made the final success to those that feared him, the scatter of evil of the evil doers. May the blessings and peace be upon the one (Muhammad **saw**) sent with mercy and beneficence to the whole of mankind, who was sent with a sword till the day of recompense, deserver of leadership climax and salvation (Mahmud). Blessed are his family and companions who are strong hearted in steadfastness and in righteous good deeds and those who follow them suit till the last day.

Therefore our brothers in Islam in Africa and the rest of the world; May the peace and blessings of Allah be upon you. Indeed we are thankful to Allah **SWT** for the blessing of Islam which he bestows on us: *“we are unable to become righteous, if not that Allah guides us to the true path”*. Also

Allah **SWT** has chosen us (the generation of Muhammad **saw**) as the best of all of mankind.... We seek Allah to bestow on us his blessings, the ability to praise him in order to gain his endless veto. We seek further the Glorious one to grant us Paradise and the supplement which he promised to the succeeded ones in paradise (i.e. seeing his face).

OUR PEOPLE - THE MUSLIMS

Here are your children the Mujahidun in the land of black Africa expressing marvelously in sacrifices of lives and wealth in order to develop your religion and world, their lives are saying:

Let us remain on the foot path of our pious predecessors.

We have confidence to have gathered a stored impetus.

Our promise is a promise of a obvious victory.

Even if it leads to death, certainly the return is to our creator.

Let us die so as to attain martyrdoms.

Death on a right path is worth celebrating.

Behold – our people, the people of greatness by helping the Mujahidin, do not be an enemy to them like the enemy which opposes and do not care of the believers relativity and promises, so long as we witness that there is no god worthy of worship except Allah **SWT** and Muhammad **saw** is his slave messenger. You should not be deceived by what the Kufr Government (of the colonial west) are spreading; that the Muslims are the target of what they called the Terrorist in order to distract your attention as a result of their economic lost and the fearfulness of the Mujahidin. They are doing just these in order to transform you to be part of their allies that help them fight the mujahidin. While the real mission of the mujahidin is to take you out of these totalitarianism, poverty and degradation of lively conditions which these tyrant have brought you into. Why should you believe in their lies? The Mujahidin have left their families and wealth behind just to accumulate might and forces in order to react back to the enemies of Islam, who have vowed to undermine Islam and Muslims from among the Christians at home and abroad.

Allah SWT said: “*(they are) those who have been expelled from their homes unjustly only because they said: our lord is Allah.*” For had it been that Allah checks one set of people by means of another, monasteries, churches, synagogues, and mosque, wherein the name of Allah is mentioned much will surely have been pulled down. Verily, Allah will help those who help his (cause). Truly, Allah is All – Strong, All – Mighty”. Q:22:40.

Truly, the enemies of Allah from among the Christians and evil doers are always preparing to target Muslims many and all times, but due to Allah's blessing make them to fear the reprisal from the Mujahidin. Allah **SWT** also made it clear that if we perform jihad, then only we become safe. Allah **SWT** said: ***“then fight (O Muhammad saw) in the cause of Allah, you are not tasked (held responsible) except for yourself, and incite the believers (to fight along with you). It may be that Allah will restrain the evil might of the disbelievers; for Allah is the Strongest in might and in punishment.”*** Q:4:84.

Henceforth, the Ansaru announces loud and clear its total rejection towards any attack targeting any Muslims who voices out his word of shahada and proclaim his Islam clearly. We cannot take him out of the fold of Islam except with certainty without doubt or manipulation or any ruling of the Ulamas which have different opinion or any issue that can be ignored due to ignorance. Our stand is clear base on our actions of jihad which the entire Muslims (of this region) can be a witness that we Ansar do not attack any Muslim that the sharia prohibits his blood, wealth or prestige.

As for what the media are spreading (both home and foreign), regarding actions with the attack to innocent Muslims men and women, old and young and the destruction of houses and properties. All of these are the work of the forces of Satan and those that do not know or consider the policy and the aims and objectives of the Islamic Sharia, others for their selfish interest or desire. How can the Ansar perform such an unacceptable deeds after all the saying of the Prophet **saw** that is sent by Allah to make things easy for the whole of mankind:

“by Allah, the destruction of the whole world is easier in the part of Allah than the unjust killing (without Islamic justification) of one believer (mumin)”. Bin Hajar Alathqalanee said: “Imamul Gazali said: “the mistake that will make me to free a thousand of unbelievers' lives is easier than the mistake of shading a single Muslim's blood”.

Also a well known scholar of this time; Abu Muhammad Almaqdasee, said: “the mistake that will be made to freeing a thousand of kufr (unbelievers) in the site of Allah is easier and better than the mistake that can cause the flow of a cup of blood of a single Muslim”.

May Allah **SWT** bless the leader of the self bomber Mujahed; Abu Mus'ab Alzarqawee, when he said: “we will not agree or allow to shade unjustly the blood of Muslim. It is better and suitable for me to give my self to be slain than to kill a Muslim unjustly (not according to Islamic sharia)”.

Observe these statements of these knowledgeable Ulamas on the importance of protecting the blood of a single Muslim and the danger of shading it, how could it be of tens and hundreds of Muslims that are frequently been killing every now and then. Glory be to Allah!!! O Allah we are not part, blamelessness (of Boko Haram activities on innocent Muslims), and a total rejection of what they (Nigerian Security Forces) are performing daily. The Ansar are always trying all the time to remove men from being slaves and servant of other men but to be servant of Allah the creator of men. We also

stand forth to the retaliation of the Muslims blood shaded everyday, who are being molested anywhere and everywhere just because they said: “they worship non but Allah”.

These Christians are the one who started fighting the Muslims because they know the Government is theirs. The Government that proclaim that it does not care with any religion, it replaces religion with Democracy, the Constitution as its laws in order to guide people’s life.

Many places that these arrogant security forces and Christian crusaders have undertook their massive brutal killings are known to everyone, even to their fancies that are claiming the human right activation, to the extent that the massacre of innocent Muslims became the topic of discussion among people and media and in the Internet.

Apart from all those things that has happened and are happening; would it be fair for us to just fold our hands and just look at this planned terrorism? Would a common sense agree that the Ansar will kneel to Dagutu (Government of Satan) whom prohibit approved and approved prohibited? The Imposter (Dagutu) who spread evil on the land? The one who deprived people their basic fundamental right? Who prefer his evil right (constitutional unity) greater and better than the blood and souls of its people?

O sons of Bin Fodio and Umarul Futy arise! Arise like the rising of a single able person!! There will be no good in us when we are molested, our religion is badly characterized and its signs are rejected, the good one and the children among us are killed, and yet we remain motionless. We must know that ***the tap root of tyranny is only uprooted with the rain of bullets***. We must unite and work together with the Mujahidin in order to have a meaningful revolution on these tyrannical leaders, high rated thieves, who do not allow people religion that give them hope in the hereafter talk less of their worldly matters. ***Life in molestation and degradation is worse than dying with pride.***

Our Muslims brothers how can you abandoned your sons (mujahidin) while they are wasting night and day in order to bring back your freedom and pride. You must know that ***your lack of support to the mujahidin is far greater in damage than their (enemies) war planes***. How worst would it be when compared to what is happening in our Islamic world today, when there are allies of Kufr to fight Muslims with Islamic Monotheism (Tauhid) under the banner of America, after they (America) have clearly defined that; ***“our war is a war of crusade”, “either you are with us or with the Terrorist”***. There is no third party, is either you are with Islam and Mujahidin or with the unbelievers, apostasy and riddah.

Allah **SWT** said: ***“those who believe, fight in the cause of Allah, and those who disbelieve, fight in the cause of Dagutu (Government non other than Islam): So fight you against the friends of Satan: ever feeble indeed is the cunning of Satan”***. Q:4:76.
