#UPDATE: No **#jihadist** group is yet to claim the attack but the **#Bakoura** faction which earlier pledged allegiance to **#Shekau** and claimed the June 2019 **#Darak** attack, is highly suspected because **#ISWAP** is known not to attack civilians; **#fishermen** inclusive.

Replying to @SembeTv

#UPDATE: Initial reports said that the victims included 8 fishermen from **#Blangoua** and 9 from **#Darak** but the survivors who witnessed the scene say the number is much higher.
