ARE WE YET POWERFUL FOR A PROPAGANDA???

Assalamualaikum brothers...

The last operation our brothers underwent didn't go well with them due to the media publicity the operation received from the kuffur government,

we are on assumption that one of this channel member forwarded the whole scenario to AL-hijra media outlet for them to publish it we are not against the publications but rather we are not sure we are reap enough for that yet

We use this medium to call on our brothers and the AL-hijra or any media outlet to please keep our profiles low keys till Allah destine us to reach our ultimate goal of establishment

Jazakumullahu khair ❤️❤️❤️
